Specific Dissertation

The US and the UK Master's Research Proposal Writing Help

Writing specific Master's or Postgraduate dissertation is not an easy task to be completed by a student who may be pursuing his/her career in higher studies. Especially different types of dissertation take different format including empiricist, interpretive, or critical or criticalist. However the choice of dissertation depends on several factors such as the choice of sampling strategy, methodology, or data analysis technique, cost, ease, convenience and skills you have learn in time. Academic justification includes in general are philosophical, or theoretical while personal or practical or practical justification.

Whatsoever the model dissertation, in the UK & the US universities is an extended piece of writing. Therefore, it should be written and formatted in line with requirements given by the Universities. The Master's dissertation perhaps ranges from 7000 words to 20,000 words but usually should not exceed 15,000 words exclusive of footnotes, references, and appendices. Writing Master's dissertation in the UK and other prestigious universities are challenging due to plagiarism as universities check check for similarities of sentences and even structures. If you are likely to be

caught, then consequences will be unpleasant.

Specific Type of Dissertations are written with utmost care based on your specific university guidelines & Specifications

Specific Dissertation writing help and thesis writing help at Tutors India are handled and written by the style, design, and format of an ideal dissertation required by the UK, Australia, and the US universities. We demonstrate knowledge and understanding beyond undergraduate level and ensure to limit the scope and depth that taught in your class. We assist you to complete your full dissertation namely, a topic selection, research proposal writing, reflection journals for your dissertation, the introduction, the literature review, research methodology, presenting and discussing findings, research ethics, citations, and references along with the Appendices. Our academic style follows a clearly structured approach to the validation and justification of facts, opinions, theories to form a precise argument.

Dissertation Type & Choice of Research Methodology based on your specific university guidelines & Specifications: Library, Secondary data, Business Plan, Systematic Review & Meta-analysis

We offer dissertation by research and dissertation by Translation / commentary (Title page, abstract, acknowledgement, content page, introduction, commentary (literature review, translation commentary and conclusion), and references. The dissertation will also have references and appendix includes source text and translated text. Our writers are proficient in handling dissertation with qualitative (e.g. interview guide design or semi-structured, focus group, observation, case study), quantitative (e.g. survey) or triangulation choice of methodology (e.g. mixed choice)

We offer specific type of dissertation writing help. We can write starting from abstract or executive summary writing help, introduction chapter, literature review, theoretical framework chapter, hypotheses development, help with questionnaire development, research questions and objectives development, data analysis help, discussions, conclusions, recommendations, interview transcript analysis, ethical form filling, appendices, and any other help you may require with your dissertation. Even if you have problem in identifying the right research design, identifying base for the tools, difficulties in identifying appropriate research gap, to write a "statement of the problem" section, identifying right statistical tool for your data, data collection part, secondary research, and any others that you have.

■ *Business Plan*

The most challenging dissertation for any student is undertaking the business plan as part of their dissertation work. At Tutors India, we completely aware of business plan structure and our writers has already completed more than 2500 Business plan dissertation successfully. Our team of writers consists of finance and accountant, subject matter expertise and statistical analyst. By taking our help of business plan dissertation writing

■ *Meta-Analysis*

Undertaking dissertation for Meta-analysis is different from systematic review as it combines the results of many individual studies relevant to the topic and determines the findings and allows a rigorous comparison. At Tutors India, we offer complete meta-analysis writing services or part writing in terms of comprehensive search strategy, setting inclusion and exclusion criteria, publication bias, effect size calculated, appropriate using statistical methods, heterogeneity consideration, other section that you specifically visual analysis, and any request will be considered.

■ *Systematic Review*

Doing a dissertation in a systematic review is common today as it brings the same level of rigor to reviewing research evidence using secondary data. Our experts are a pioneer in examining both qualitative evidence and quantitative papers, or mixed, and outcomes are looked at to assess clinical effectiveness, appropriateness, feasibility, and meaningfulness. We are aware of wide range of reporting guidelines such as PRISMA (Preferred

Reporting Items for Systematic Reviews and Meta-Analyses) for RCT, other intervention programs.

■ **Secondary or Library data based**

Although the majority of the students prefer primary data due to its advantage of customization to the particular study being completed, there is another approach called secondary sources of data. Our writers at Tutors India are a pioneer in doing secondary research based dissertation. We have completed more than 1000s of secondary based dissertation in wide disciplines in the form of competitive analysis, business plan, meta-analysis, reviews, systematic reviews and many more. If you are confused about secondary based dissertation research, then leverage the help of experts.
