PHD Dissertation Topic

PhD & Professional Doctorate Dissertation Topic Selection & Outline Help & Consultation

Identification of topic and research area would be difficult, challenging and poses a major obstacle to several researchers across the world. As doctorate dissertation need to a) provide original contributions to the field's knowledge base, b) should reflect scholar's writing, analytical, and training skills, c) reflects on the program, department, college and university as well, d) identifies society as an important player and e) individual reputation, along with university and advisor. Thus, dissertation remains the center of the doctoral degree while poor dissertation would lead frustration and drop out from the program.

The starting point of any Ph.D. dissertation is to identify well-conceptualized topic with a clear set of aims substantiated by convincing reasons. Yet, such process would be challenging as it needs sufficient investment of time and energy. This is even more challenging for students from non-English speaking countries such as Brazil, Chinese, Malays, Singaporeans, Indonesia and other Asian

countries. Let Tutors India Ph.D. experts handle your topic selection based on the gap and need for the study. Our writers will identify the right topic based on your experience and passion towards research.

Unique & Innovative Topic Selection based on the recent trends

Tutors India Dissertation topic/ title provide a convincing rationale for critical decisions. There are several factors that influence the selection of a dissertation topic that includes faculty and student-related factors, the eventual audience of published works, research funding, the nature of the topic, trend and duration of the study. At Tutors India we select topics from the following sources, viz., from student, supervisor, and external organization

■ *Student:*

As this would reflect some long-standing interest that they would have developed during the part of the course.

■ **Guide/supervisor /mentor/professor:**

Whom they would have built a relationship as part of an ongoing research project and their potential publications and,

■ **Organization or Industry:**

An external organization where they are currently working (may be an industry problem).

■ **Research papers:**

We help you to get ideas from research papers including database like PROQUEST, Science Direct, JSTOR, Emerald, Web of Science, IEEE, Google Scholar...

■ **Resources (faculty and classes taken):**

Course topics and faculty influence on selection of Ph.D. dissertation topic

Ph.D. Topic Selection Service Features

■ **Based on Research Gap**

The dissertation topics are selected based on the research gap and future recommendations proposed by previous researchers. Our topic selection is driven by your research question that is interested in exploring. We adjust and iterate the topic based on the research question and as we start finding the new resources. Tutors India ensures that topic is not too narrow or broad.

■ **Detailed Literature Review & Industry Problem**

The Aim and research objectives proposed which would be developed based on the detailed literature review and industry problem. We use a wide range of information to discover the topic including statistics, news reports, textbooks, historical information and of course recent peer-reviewed scholarly articles from the peer-reviewed journals.

■ **Proposed Methodology & Expected Outcome**

A literature review would be key in your dissertation. Therefore, we provide recent articles published in the proposed area and

gaps identified and proposed a methodology which would also cover research design, qualitative or quantitative, target population, data collection methods, tools used and finally expected outcome.
